

@1:500 Scale @Scale 1:500 Scale bar

- Denotes mature trees to be retained those being large oak by entrance to site, Ash tree which will be in the rear garden. There are also two conifers adjacent to the oak which do not look out of place.
- Denotes existing vegetation to be retained as the mixture does form part of the natural rural boundary comprising mixed hawthorn, elder and a few field maple
- Denotes new fruit trees forming part of the boundary to the proposed dwelling, these surrounding the rear lawned private zone
