4. Site Area					
What is the measurement (numeric characters on	ent of the site area? 450.00				
Unit	Sq. metres				
5. Description of t	he Proposal				
Please note in regard to: • Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. • Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. • Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.					
Description Please describe details of the proposed development or works including any change of use.					
Extension & Additional Storey to open market permission 21/P/1800/FUL					

Has the work or change of use already started?	○ Ye	s • No
C. Eviating Has		
6. Existing Use Please describe the current use of the site		
Agricultural Barn granted open market permission, hard standing surrounding.		
Is the site currently vacant?		s No
Does the proposal involve any of the following? If Yes, you will need to sub	mit an appropriate contamination assessme	ent with your application.
Land which is known to be contaminated	ΩYε	s No
Land where contamination is suspected for all or part of the site	○ Ye	s No
A proposed use that would be particularly vulnerable to the presence of contamir	nation \bigcirc Ye	s ® No
7. Materials		
Does the proposed development require any materials to be used externally?	⊚ Ye	s QNo
Please provide a description of existing and proposed materials and finishe	s to be used externally (including type, cold	our and name for each material)
Walls		
Description of existing materials and finishes (optional):		
Description of proposed materials and finishes:	Stone, Timber Cladding
