

Do Not Scale from this drawing.

The contractor must verify all dimensions on site before any works are started. Any discrepancies are to be reported to the project architect/designer for clarification. Any discrepancies not brought to our immediate attention shall be deemed to be accepted by the contractor.

All works will be carried out in accordance with **THE CLIENTS** LANDLORD SPECIFICATION document & are to comply with the tenants fit guidelines following landlords approval.

HVAC, MSE layouts are indicative & must be verified with the relevant reactor before commencement of work.

All works to be carried out in accordance with the fire safety and fire alarm works as the response produced by the landlord team issued at tender.

The existing/proposed sprinkler system to be assessed by contractor to ensure the system is in compliance with building regs part B.

All works to be carried in accordance with the CDM Regulations (Health Safety).
