		ent building less than 3 storeys in hei	ght?		
Yes	<b>⋉</b> No				
		e, the proposal will exceed the limits : e from the Local Planning Authority o		. In this circumstance, you should not continue v e of action.	vith
Was the current	t building const	ructed between 1 July 1948 and 5 Ma	rch 2018?		
<b>⋉</b> Yes	☐ No				
		e, the proposal will exceed the limits s e from the Local Planning Authority o		In this circumstance, you should not continue we of action.	/ith
On 5 March 2018, based on the Use Classes in place on that date, was the building in use as: - shops (Use Class A1), financial and professional services (Use Class A2), restaurants and cafes (Use Class A3), offices (Use Class B1a), a betting office, pay day loan shop, launderette or a mix of any of these uses; or - dwellinghouses (Use Class C3) including as a mixed use with any of the above				I	
<b>⋉</b> Yes	☐ No				
	If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.				/ith
Was the current	If the building is currently in mixed use including use as dwellinghouses (Use Class C3) Was the current use as dwellinghouses only granted by virtue of permitted development rights under Schedule 1, Part 3, Class MA of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)?				the
☐ Yes	➤ No / The be	uilding is not in mixed use including u	use as dwellingho	ouses	
		e, the proposal will exceed the limits : e from the Local Planning Authority o		. In this circumstance, you should not continue we of action.	vith
Is any part of the land or site on which the building is located: - article 2(3) land; - a site of special scientific interest; - a listed building or land within its curtilage; - a scheduled monument or land within its curtilage; - a safety hazard area; - a military explosives storage area; or - within 3 kilometres of the perimeter of an aerodrome					
Yes	<b>⋉</b> No				
If you have answ	wered Yes abov	e, the proposal will exceed the limits se from the Local Planning Authority o		. In this circumstance, you should not continue ve of action.	vith
4b. Eligibilit	v - The prop	osed development			
Will the proposed additional storeys only be constructed on the principal part of the building (i.e. the main part of the building excluding any front, side or rear extension of a lower height, whether this forms part of the original building or a subsequent addition)?				ding	
X Yes No					
If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.				<i>i</i> ith	

Page 2 of 10 Version PDF 2021

4b. Eligibility - The proposed development (continued)
Would the floor to ceiling height, measured internally, of any proposed additional storey exceed:  - 3 metres; or  the floor to ceiling height, measured internally, of any existing storey of the principal part of the existing height.
- the floor to ceiling height, measured internally, of any existing storey of the principal part of the existing building
Yes No
If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
Would the proposed extended building's: - height exceed 30 metres (as measured from ground level to the highest part of the roof, not including plant); or - roof be more than 7 metres higher than the highest part of the existing roof (not including plant, in each case)
☐ Yes 🔀 No
If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
Will all the proposed new dwellinghouses be flats (i.e. separate and self-contained premises constructed for use for the purposes of a dwellinghouse), have gross internal floor areas of at least 37 square metres, and comply with the nationally described space standard?
X Yes   No
If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
Following the development, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?
If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
4c. Eligibility - Related operations and works
Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:
- provision of visible support structures on or attached to the exterior of the building upon completion of the development; or - anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services
- anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or
- anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services
