• Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire

* Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

* Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Please describe details of the proposed development or works including any change of use. Proposed barn conversion Has the work or change of use already started? O Yos © No 6. Existing Use Please describe the current use of the site Agricultural building with part Q approval Is the site currently vascant? O yes © No Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
