

SECTION 1-1: THROUGH 1ST FLOOR CORRIDOR 1:50@A1

SECTION 2-2: THROUGH GROUND FLOOR BAR CORRIDOR 1:50@A1

## **EXPLANATORY NOTE:**

There are specific areas of essential works required to the Ground Floor. As previously noted, safe access to the first floor accommodation needs to be created to rectify the existing dangerous condition.

Further works are proposed at First Floor Level in order to refurbish the existing, unusable accommodation. This will allow for staff to live on-site in support of this popular local business and in case of an

In addition, there are works relating to the emergency works programme, including the replacement of internal wall and ceiling finishes and the inclusion of insulated wall panelling

- fireplace: would note there is no fireplace in this position).
- replacement internal wall and ceiling finishes, previously agreed as
- Failed roofs to be replaced with new slate roofs and replacement insulated ceiling as as part of previously agreed emergency works planning regularisation.

emergency.

Existing back bar area to be home to new stairwell. Opening to be created between Ladies WC and Back-Bar. (Wall checked for signs of

Existing First Floor Accommodation to be refurbished, including part of the emergency works programme.
