General notes :

This drawing is copyright protected.

Dimensions are not to be scaled from this drawing.

The contractor and his subcontractors are to verify all dimensions on site before making any shop drawings and before executing the works.

Any discrepancies, either between written dimensions and site dimensions or between this drawing and other consultants' or supplier's drawings, should be brought to the immediate attention of the architect before executing the works.

This drawing is to be read in conjunction with the relevant structural, mechanical and electrical drawings.

All works are to be carried out in accordance with the relevant BS, and codes of practice and also meet the local authority requirements.
