Are there trees or hedges on the proposed development site?		No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?		No
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local placequired, this and the accompanying plan should be submitted alongside your application. Your local planning a website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, der Recommendations'.	authority s	should make clear on its
19. Assessment of Flood Risk		
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.)		No
If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.		
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?		● No
Will the proposal increase the flood risk elsewhere?		No No
How will surface water be disposed of?		
Sustainable drainage system		
Existing water course		
Soakaway		
✓ Main sewer
