Dear Sir/Madam,

Town and Country Planning (Scotland) Act 1997 (As Amended)
Application Reference: 21/00916/CLU

I acknowledge receipt of your application for a Certificate of Lawfulness of Existing/Proposed Use or Development received on **24 November 2021** and registered on **24 November 2021** for **Install Solar PV Panels to the front elevation of the roof which is facing South West, it will be two rows of seven panels which will be black in colour and positioned to gain maximum sunlight at 9 Beulah Howe Forfar DD8 3DA.**

Although the application is valid, please can you supply the following additional information: -

- 1. The dimensions of each solar panel, or the total area to be covered by the panels – length and width.***
- 2. What method of fixing will be used for the panels, and at what distance to the roof would the panels be fixed. In other words, how far from the roof would the panel protrude.***

If you require any assistance or information on the progress of your application, please contact **Alexandra Motoi** on telephone number **01307 492313** (approximately four weeks after the date of this letter).

If you have not received formal notification of the decision on your application by **19 January 2022** and you have not agreed an extension of the relevant time period for determination, you may submit an appeal to The Planning and Environmental Appeals Division, Scottish Government, Ground Floor, Hadrian House, Callendar Business Park, Callendar Road, Falkirk, FK1 1XR. The appeal should be made in accordance with Section 154 of the above Act by notice sent to the Directorate within three months from the date by which this could have made a decision. Further information on the relevant means of an appeal in respect of applications can be provided or can be found at www.eplanning.scotland.gov.uk.

Yours faithfully,

Planning Service
