4. Description of Proposed Works

Please describe the proposed works:

The works propose the addition of two window dormers to the roof on the principal elevation to Hampden Road. The works also include the alteration of window openings to one of the principal elevations in order to return the proportions to an original scale, similar to other properties on Islingword Road. Also included is the change of roof material to slate tile, returning the property to a more original material palette. The works include the application of external wall insulation in order to improve the energy efficiency of the property in line with national policy and local guidelines to help reach Uk Net Carbon Zero.

Has the work already been started without consent?

☒ Yes ☐ No

5. Materials

Does the proposed development require any materials to be used externally?

☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):
