5. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

Creation of 2 ponds in a field used for grazing cattle. The ponds will be naturally rain/ground fed which at present is marshy ground from cattle. The ponds will be 300 sq. metres each in size will have an hibernacula and different depths to a maximum of 2.5 meters. Both ponds will be stock fenced. The creation will be

done using an excavator. The top soils will be used for the base of the hibernacula with the remaining soil being used to create a bund around the ponds, fill in existing ruts and holes and spread around the site. The hibernacula will be made from locally sourced stones, timber and spoil. Material brought in will be stock fence and posts, and pipes for overflow into ditches to prevent flooding. Very little to no waste will be generated or taken off site.
