Thank you for your email and information that you wish to apply retrospectively for the fencing.

In this case I would be happy to withhold enforcement action until a valid application is received, providing the application forms are completed and returned by Friday 31st December 2021. The relevant application forms together with guidance notes and information regarding fees are available on www.planningportal.co.uk.

However the invitation to submit an application does not prejudice either the subsequent recommendation or the ultimate decision of the Council. In addition if you continue with this development prior to the determination of your application you do so entirely at your own risk.

I must advise you that, should the development remain without the necessary permission, it will still be open for the Council to take enforcement action to deal with the breach of control.

I hope the above is of assistance to you, however, do not hesitate to contact me again if I can be of further help.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
