Dear Sir/Madam

Thank you for your letter of 25th November 2021 regarding the above planning application, which had not been validated because the submitted drawings did not include relevant written dimensions of the key elements of the proposal and "mirrored" floor plans of the Palamino house-type had not been supplied.

These matters have now been addressed by the architects and I am pleased to supply the following amended and additional drawings, with a covering letter. Please supersede the previous drawings with the new or amended versions.

I hope that this is of assistance and that the application can now be validated and registered.

Regards

Duncan
