

Arboricultural Site Inspection Report Clifton High School, Artificial Grass and Play Equipment

Site Address:- Clifton High School, College Road, Bristol,

Date of Inspection:- Thursday 18th November 2021

Present:- Chris Wright. Silverback Arboricultural Consultancy
Louise Brennan. Clifton High School

Purpose:- Discharge condition 3 attached to planning consent 21/03148/F and condition 3 attached to planning consnet 21/01761/F.

Assessment:- The planning conditions required the project arboriculturalist to undertake site visits during key stages of the development as details in the approved arboricultural method statement.

Due to the Covid 19 pandemic we were unable to attend site during the works. We have been supplied with photographs showing the works in progress, as specified in the approved arboricultural method statement. Please see photographs at the end of this report.

We attended site on Thursday 18th November to inspect the completed works. On inspection it would appear the all the works have been completed in accordance with the approved method statement and there has been no impact on the exposed areas of RPA around the trees. Photos of the completed works can bee seen at the end of this report. Further photographs taken during the works can be supplied if required

Best regards
