Reference	21/02888/PREAPP

Date (Must be pre-application submission)

Details of the pre-application advice received

The desired 4m rear extension is contrary to the Council's design guidance. It is recommended that the depth of rear extension is reduced from 4m to 3.5m. The proposed porch needs to be of a modest size. It is advised to replicate something that is similar to what the neighbouring properties have. The dormer as built meets the limitations of Permitted Development Rights and as such it would not require Planning permission. For works relating to single storey rear and front porch, the appropriate application type would be Householder.

14. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
