3) The development hereby permitted shall be carried out in accordance with the following approved plans and details: 79847/1A.

For the avoidance of doubt and in the interests of proper planning.

**Richard Morris**  
Chief Planning Officer

**Dated:** 4 January 2019

## Notes for the applicant

### Conditions

If permission has been granted you will see that it may be subject to a number of planning conditions. They are an integral part of our decision on your application and are important because they describe how we require you to carry out the approved work or operate the premises. It is YOUR responsibility to comply fully with them. Please pay particular attention to those conditions which have to be met before work commences, such as obtaining approval for the siting and levels of buildings and the protection of trees on the site. If you do not comply with all the conditions in full this may invalidate the permission.

Further information about how to comply with planning conditions can be found at: [https://www.planningportal.co.uk/info/200126/applications/60/consent\\_types/12](https://www.planningportal.co.uk/info/200126/applications/60/consent_types/12)

Please note that there is a right of appeal against a planning condition. Further information can be found at: [https://www.planningportal.co.uk/info/200207/appeals/108/types\\_of\\_appeal](https://www.planningportal.co.uk/info/200207/appeals/108/types_of_appeal)

### Community Infrastructure Levy (CIL)

This proposal may be liable for the Community Infrastructure Levy (CIL). This may be payable to the District Council, as the local collecting authority, on commencement of application 18/03430/HOUSE.

If CIL is liable, we will contact all relevant interested parties once we have issued a decision notice and serve them with a liability notice. This will identify the parties, the scale of liability, how it was calculated, when it will be due for payment and the opportunities to claim relief. Should you wish to claim relief from CIL you must make an application to us before any work starts on site. There is no automatic exemption from the CIL and it is not possible to make a retrospective claim once work has started.

Any party liable to pay CIL must assume liability before any work starts; they must provide us with a valid [Commencement Notice](#). If this is not provided we can impose surcharges and require immediate payment.

Please email [planning.information@sevenoaks.gov.uk](mailto:planning.information@sevenoaks.gov.uk) quoting 18/03430/HOUSE if you have any questions about CIL, before work commences.

### National Planning Policy Framework

In dealing with this application we have implemented the requirements in the National Planning Policy Framework to work with the applicant/agent in a positive, proactive and creative way by offering a pre-application advice service; as appropriate updating applicants/agents of any issues that may arise in the processing of their application and where possible and if applicable suggesting solutions to secure a successful outcome. We have considered the application in light of our statutory policies in our development plan as set out in the officer's report.

**Building Control**

This permission relates to planning permission. Applicants are advised to contact our Building Control service on 01732 227376 for further information on whether it is necessary for permission to be given under the building regulations.
