Knole Academy School, Bradbourne Vale Road, Sevenoaks TN13 3LE

Proposed Renewal of Temporary Permission with provision for a further 10 years

Design and Access Statement

This statement is to accompany the application for the renewal of temporary planning permission of a mobile building located at Knole Academy, Bradbourne Vale Road, Sevenoaks, TN13 3LE.

The single storey mobile building was constructed in 2006. It has been maintained to a good standard and continues to meet the needs of the school.

There are several other mobile buildings located at The Knole Academy School. The mobiles are of a similar design, finish and colour scheme, thus forming a small virtually identical group.

Pedestrian and vehicular access remain unchanged. Disabled access to the building is via the existing ramp.

Yours sincerely
