## 5. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use and details of the proposed demolition.

## 5. Description of the Proposal

Has the work or change of use already started?

Yes  No

## 6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The existing retail unit is not fit for purpose

## 7. Existing Use

Please describe the current use of the site

The site is currently occupied by a 1 storey building which houses a retail store called 'Kong'. To the rear of the site is a vacant courtyard space. Beyond the red line boundary is a 2 storey building which is in use by 'The Works' which fronts onto the Parade (No.58). There is a fire escape and access door to the upper floors located on the ground floor of 'The Works' that exits directs into the application site. There is a legal right of way down the side of the Kong building to emergency fire escape access only. The route down the side of the building is currently closed off with a gate. The building is flanked on both sides by very large mid 20th Century buildings which were constructed to increase the size of the retail units on Parade. It is understood that both buildings are not in use above ground floor level. To the left hand side of the site is the WHSmith building with a large roller shutter loading bay directly adjacent to the site. To the right handside is the rear of 'H&M', again with a large loading bay adjacent to the site boundary and former entrance doors which are no longer in use.

Is the site currently vacant?

Yes  No

**Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.**

Land which is known to be contaminated

Yes  No

Land where contamination is suspected for all or part of the site

Yes  No

A proposed use that would be particularly vulnerable to the presence of contamination

Yes  No

## 8. Materials

Does the proposed development require any materials to be used externally?

Yes  No

**Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):**

Walls

Description of existing materials and finishes (optional):

White painted brick

Description of proposed materials and finishes:

It is envisaged that the building would be faced in white brickwork to draw on the heritage of Leamington as a Regency Town in its colouration, but has texture that a brick facade can bring, particularly on Bedford Street which is a polar opposite in character when compared to Parade and Warwick Street.

Windows

Description of existing materials and finishes (optional):

Black painted metal windows

Description of proposed materials and finishes:

The windows proposed are black metal "Crittall" style and draw on the heritage of the regency architecture of the area in their form and rhythm, but have a more contemporary finish. This finish relates to the more direct context of Bedford Street as opposed to the Parade and Warwick Street.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

Yes  No

If Yes, please state references for the plans, drawings and/or design and access statement

2560\_Design and Access Statement, 2560\_0001-3000
