

ALL NEW RAIN WATER GOODS ARE TO BE BLACK UPVC UNLESS STATED OTHERWISE

ALL NEW FENESTRATION IS TO BE WHITE UPVC UNLESS STATED OTHERWISE

Proposal to widen dormer with the pitched parts of the dormer roof brought in line with the hips of the existing roof. The pitched parts of the dormer roof are also elongated slightly downwards to give more internal space. No other changes to the dormer, height and depth remain the same.

REAR ELEVATION

Client	Mrs. R. Muckle
Job	OAKDENE STATION ROAD EYNSFORD, KENT DA4 0ER

Title	Proposed single storey rear extension, loft conversion and internal alterations. REAR ELEVATION AS PROPOSED
