There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

The development involves the preparation and laying of a thin layer of crushed stone to cover a small area (0.2 acres) of the Bilsborrow recreation ground (which has a total area 2.7acres) so as to provide some improvement and eliminate the surface damage that can arise when vehicles are occasionally parked on the grounds on football match days. This will not result in a change of use and normal activities and use will continue as current and historically practiced.

Has the work or change of use already started? ☒ Yes ☐ No

If yes, please state the date when the work or change of use started (date must be pre-application submission) DD/MM/YYYY	<input type="text" value="17/09/2021"/>
