

SITE WASTE MANAGEMENT PLAN

Proposed Use of Agricultural Building for Stables at:

**Grange Barn, Hull Road, Whitedale
East Riding of Yorkshire
HU11 4TY**

Applicant: Mr & Mrs Thompson

1. The applicant has recently purchased the property at Grange Barn and has 6no. horses which are due to arrive on site during November 2021.
2. The horse muck will be stored in a muck trailer, meaning there will be no muck on the ground and there will be nothing left on site for any length of time.
3. When the horses are stabled, the applicant will use bedding which, when soiled, will be added to the muck trailer.
4. Arrangements have been made for the muck to be collected on a weekly basis by a local farmer, Mr James Whitty, and added to an existing midden at Westlands Farm, Withernwick, HU11 4TY.
