Details of the pre-application advice received

I had called various times from June 2021. I received 2 references 21su04413 (spoke to Jackie) 21su04628 also - no officer contacted me. I called a couple of other times and finally Ms Bunting called, I had previously been referred to Mr Pommels who I even emailed and didn't receive a response. Ms Bunting suggested we apply for planning as it we were hoping for a higher roof pitch as I have a pilates reformer and some of the exercises require more roof height. Our neighbour has also built large outbuildings we'd like to not look at so much and to our other boundary we have a large outbuilding wall that's likely around 10 m in height. Ms Bunting suggested uploading the plans under householder application and that the process could take between 5.6 weeks.

With respect to the Authority, is the applicant and/or agent one of the following:

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
