It is my considered view that the principle of a replacement dwelling could be supported. Any application for planning permission should show careful consideration of all the matters raised within this letter in line with the relevant policies therein. Please note that this letter is not binding on the Council. Any final decision on a planning application will rest with authorised officers under the Council's delegation scheme or elected members on the Planning Committee. However, if an application is received within 12 months of this letter and there has been no material change in planning policy or site specific circumstances then the advice in the letter is unlikely to change.
