Comment Reasons:

Comment: This proposed Aldi store would be very welcome and is needed in old skem I currently travel to burscough to shop at Aldi as they have a larger store and parking is more accessible, also the current store in the concourse every time I go there is never any trolleys available !

I have read all the letters applicable to the proposed store and note that the only objections come from direct competitors which are quoting a bylaw stating priority should be given first to town centre sites but as an old skelmersdale family we consider Sandy Lane as the town centre as it was before the new town was built! And as such planning permission should be granted for the high street location.
