Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

We need a full size Aldi store in Skelmersdale, the Concourse store does not stock the full Aldi range and I currently have to drive elsewhere to get the Aldi products that I need. Also it is difficult to get trollies to my car in the Concourse, the new Aldi will have a proper car park.

Yours,

JAMES McMahon
