Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

This will be the first discount supermarket to have opened in Old Skelmersdale for decades.

This would be especially of benefit to the elderly who could shop there without relying on public transport to get to the concourse.

Parents with prams would not have to get taxis or walk a couple of miles to the main shops.

Also the town needs the jobs that are on offer.

Yours,

Jackie Coyle
