Subject:Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

I support the new aldi in Skelmersdale as the present aldi is only a small one not much room in the isles and a larger aldi would hopefully create a number of jobs for local people , plus the present aldi has to close when the concourse centre closes at 5.30/6pm as most aldiss now close at 8pm
