Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

A new Aldi store is definitely needed in Skelmersdale the one in the Concourse is not big enough anymore its very small & does not stock a vast amount. I only live 4 miles away but now I travel to the Burscough store which is a lot further to travel because it is a nicer store. I support the new plans for Aldi to be built.
