Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

This new store is greatly needed for this town. The store in the Concourse is not fit for purpose. It's too small and is difficult to get your shopping to your car once you have shopped. This leads to people like myself going out of town to Burscough to shop - with this store I would do all of my grocery shopping in my own town.

Yours,

Jeanette O'Neill
