Subject: About time too - New Aldi in Skelmersdale

To whom it may concern,

We have a varied community, many of whom are on a low and limited income, and yet still have a small branch of Aldi, with restricted hours due to it being inside the Concourse. It's about time we had some competition for ASDA, and the opportunity to save on a wider selection of goods which will be available in a larger Aldi store.

Yours,

NOREEN KING
