Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

I feel it will be good for the town to have a new store.
It will be good for the town's economy. It will boost employment for the town.
It will bring in people from the surrounding area to come and shop in the town, which is good for the town.
It will benefit the all round. I fully support the plan .

Yours,

Suzanne Diamond
