Subject: Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

The new store will be easier to access for those with mobility issues, as the current store is a walk from the car park. It will also help congestion around the centre by splitting two big stores up. I think it will also bring new trade to Sandy Lane. Im looking forward to the new improved store

Yours,

Amy Walsh
