Subject:Support for Application 2019/0366/FUL - New Aldi in Skelmersdale

To whom it may concern,

I think a new store in the Old Skelmersdale area is a really good idea for that side of Skelmersdale, it will bring more footfall to that area and will benefit other businesses in that area. Also the current Aldi at the Concourse is situated in a building that has been there for years and the space is cramped, so a new purpose built Aldi will be much better and will stock more products. I have shopped at Aldi for years and am very satisfied with

the service.
