Subject: RE: W/21/2111/LB - 88 Bridge End, Warwick, CV34 6PD

Hi Jonathan,

I have no objection to works proposed as part of this application, as existing windows and double doors are not original or of historic interest, but we will require at least indicative details of proposed design of replacements (including proposed use of materials and glazing type). Further details can be provided via a large scale details condition.

Kind regards,

Robert Dawson BA (Hons), MA, IHBC
