reference invalid W/22/005 TP

Sir

To answer your questions

1. Reason for carrying out the work. This is something we are obliged by WDC to do every year in order to keep the tree in good shape.
2. This is a silver birch. It is in the nature of silver birches to produce long trails of pendulous twigs. Those hanging in front of our neighbour's house can cut down the light into their kitchen window. The attached photo taken last May shows this. We remove about 2 feet.

I hope this is satisfactory

Tim Lee
