The proposal to convert and extend the existing outbuilding to form annexed accommodation to serve Locks Cottage is acceptable in principle and would need to be submitted under a householder application. To be classified as annexed accommodation, the annexe must have a reliance on and functional relationship with the host dwelling, Locks Cottage. The details as submitted are deemed acceptable in principle however this will be confirmed at application stage. If the occupiers of the main dwelling are to offer care to the occupiers of the annexe, this should be noted. Based on the submitted information, Officers are not opposed to both the annexe and the seating area, however all details would need to be considered at application stage.

It is considered in principle, the works proposed are likely to be supported by officers and deemed as acceptable.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**

It is an important principle of decision-making that the process is open and transparent. Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
