Dear Sir/Madam,

Notice of intention to install telecommunications apparatus pursuant to authorisation to operate a public electronic communications network under the provisions of the Communications Act 2003 and in accordance with Class 67 of the Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2017.

As an operator of a public electronic communications network, authorised under the provisions of the Communications Act 2003 and as a person to whom the Electronic Communications Code applies under section 106 of that Act, Openreach hereby gives notice, in accordance with condition 15 of Class 67 of the Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2017 ("the Order"), of its intention to install telecommunications apparatus.

Due to the size of the installation and its location no formal planning application or notice of prior approval is required and there is no right of refusal or fee involved. This notification is made under Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 and formally notifies the Local Planning Authority in writing, 28 days in advance, of our intention to install the equipment.

The proposal incorporates the installation of 1x DSLAM equipment cabinet olive green, the dimensions of which are:

Height 1300mm x Length 800mm x Depth 450mm

Location: The total number of cabinets proposed is one (01) and the address is detailed below:

PCP003 Kepplehills Road, OPP 5 Kepplehills Road, Bucksburn, ABERDEEN AB21 9DP 389219 809574

Attached are details pursuant to each of the proposed cabinets. I have included a location plan, a photomontage and a line drawing. Please note that Openreach refers to each site with a PCP reference. As such the locations above relate to the PCP numbered below on the site details. Please could you always correspond using the PCP number as it will greatly assist us in identifying the correct cabinet.
