Dear Sir/Madam,

2 Church Row Aston Abbotts Buckinghamshire HP22 4NA

This is a holly tree. It stands at the boundary of numbers one and two Church Row. With AVDC permission, most recently 20/00026/ATC, 21 January 2020, it has been reduced before at roughly two-year intervals. It is fast growing, causing shading and overbearing of the gardens of one and two Church Row, hence the need for regular intervention/reduction. Its current height is c.14/15 feet and spread (diameter) c.10 ft. The proposal is to reduce to a height of c. 10/11 feet and spread of c. 8ft while maintaining foliage and shape.

Thank you for your notification which was registered on the 12th January 2022. The application is being dealt with.

There is no fee necessary for this notification.

If a Tree Preservation Order has not been served on the tree(s) by 23rd February 2022 you are at liberty to carry out the proposed works.

To ensure our records are always up to date, please let us know if you change your postal or email address.

Yours faithfully,
