The information shown on this plan should be regarded as approximate and is intended for guidance only. With effect from 1 October 2011, private lateral drains and sewers automatically transferred to Northumbrian Water under a scheme made by the Secretary of State pursuant to section 106A Water Industry Act 1991. These former private drains and sewers together with existing private connections may not be shown but their presence should be anticipated. **WARNING:** Where indicated on the plan there could be abandoned asbestos cement materials or shards of pipe. If excavating in the vicinity of these abandoned asbestos cement materials, the appropriate Health & Safety precautions should be taken. Northumbrian Water accepts no liability in respect of claims, costs, losses or other liabilities which arise as the result of the presence of asbestos pipes or any failure to take adequate precautions.
