Dear Sir/Madam

With reference to our previous certificate of Lawfulness application (ref 21/0153/ DIN 317381), as the application was refused I am unsure as to whether another fee is payable, could you please advise me accordingly.

I have been discussing the new application with Tineke Rennie in your Heritage planning department and she seemed happy with the new specification and style , so hopefully this will meet with your approval.

Yours faithfully

Mr A Snell
