Dear Mrs Wedge

Following your letter of 7 October 2021,  
my email of 17<sup>th</sup> October 2021 and our subsequent and helpful  
telephone discussion, I enclose

- (1) Planning Application + 3 copies
- (2) Location Plan + 3 copies
- (3) Before and After drawings + 3 copies of each
- (4) Email to you 17 October 2021 + 3 copies.

The email, enclosure 4, describes the works and explains our  
belief that planning permission was not required. We reserve our position  
on this, but trust the descriptions and illustrations of the works is  
helpful

I look forward to hearing from the department what fee  
is required.

Our understanding is that a Design and Access Statement is  
not required due to the small area of the building

Yours sincerely
