

**Proposal: Proposed replacement dwelling and garage.**

**Location: Castleholm, Harley, Shrewsbury, Shropshire, SY5 6LX**

Conditions 4 and 6:

A suitably qualified tree specialist (QTS) – Terry Merchant - Forest and Arborist Services Ltd has been appointed to undertake supervision and monitoring of the tree protection fencing at pre-commencement stage and throughout the construction period. The tree specialist will provide a satisfactory completion statement, at the relevant times, to demonstrate compliance with the approved tree protection measures including:

- Pre-commencement site visit with site manager to mark out position of protective fencing / ground protection. – **QTS met with the contactor on site on 2nd September 2021.**
- Second visit as soon as protective fencing in place and before ground works have started with photo evidence taken. **Shown below. Taken 6 October 2021.**
