Thank you for your planning application which was received on 3 January 2022. We have checked the application and have found that it is invalid. This means that we cannot currently accept it for registration. The following details must therefore be submitted for the application to be registered:

1 Please submit existing floor plans (including roof plans) and elevation drawings to scale of 1:50 or 1:100. The drawings must include dimensions and/or a scale bar, as the plans are only available to view electronically.

Yours faithfully,
