Good morning Paul,

Many thanks for a swift response. Upon making up your file I notice that it is still not quite clear where the replacement and new fencing is proposed to be erected/replaced, can you please provide a clearer Block Plan outlining replacement fencing and new fencing in different colours?

Apologies for any inconvenience caused!

Kind Regards,

Hello Sandra.

Many thanks for your e-mail. I confirm the certificate of ownership (certificate B) which supported the Planning Application is correct and does not require amending.
