Subject: Planning Application- Sue Womack, Plot 1, Bramerton

Dear Andy
Thank you for your help yesterday.

I have prepared a planning application, in advance of erection of the garden room, and hope that I have understood the process correctly.
For some reason, my address- Bulrushes, The Street, Bramerton. NR14 7DW- did not appear in the drop-down list, so I have applied under the site's former name of The Homestead. I hope that doesn't cause any problems.

The planning application is: PP-10507260

Please could you let me know if I need to do anything further.
Kind regards
Sue Womack
