Details of the pre-application advice received

I would have no objection in principle to the amended plan proposed. However, the amended proposal will require an application for a “Non-material amendment following the grant of planning permission.”

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
