Morning Michael

Apologies, but the applicant has been trying to liaise with your highways department over what is actually required.

I have prepared the attached plan which is now with Ashcourts to endeavour to agree as the scope of the works with street scene.

Please can you process the attached plan as the submission for conditions 2 and 3.

Thanks

Good morning Ian

I am following up from the email sent on 3/12/2021 regarding the above breach of condition, as I have received no response.

Please can you advise on submission of the required prior-use conditions. Enforcement action is being considered if no application is received.
