Good afternoon

Thank you for your email.

1. The location plan shows the site as 2-5 Palladium Buildings, however the form states 7 Palladium buildings.

Please clarify and amend as appropriate.

The address is 2-5 Palladium Buildings, 7 Palladium Buildings is the only address was available on the planning portal.

2. In accordance with the requirements of section 16 of the National Planning Policy Framework, your application must be supported by a Heritage Statement as the buildings are locally listed.

A Heritage Statement should describe the significance of any heritage assets that would be affected by the development, including any contribution made by their setting. The level of detail should be proportionate to the importance of the asset and no more than what is necessary to understand the potential impact on the asset's significance. As a minimum, the relevant historic environment record should be consulted. Applicants should make use of appropriate expert advice where necessary to carry out the assessment and prepare the Heritage Statement. **ATTACHED & Photos.**

Kind Regards
