Dear Sir,

The Building Regulations 1991  
Premises: Weggs Farm  
Address: Dickleburgh, Norfolk.  
Application No: 93:5680

In reply to your recent letter concerning consultation which included plan number 200/4(B).

I confirm that the way in which Part B has been complied with is considered satisfactory.

Enclosed is one copy of the plan marked with associated fire precautions.

The Means of Escape in case of fire for the building has been assessed for a medium risk activity. However, should the building be used for a higher risk activity then the Means of Escape in case of fire arrangements may need to be enhanced.

Should you require any further information please do not hesitate to contact me.

Yours faithfully,

  
AREA FIRE SAFETY OFFICER
