Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The existing property consist of a 2 bedroom bungalow and is not suitable for modern living with any family of any size. the propose design is to modernise the bungalow and form a small family home with 3 bedrooms, it will include updating all the insulation / electrics / heating to modern standards and install a air source pump heating system, The existing roof is in need of modernising and i have propose to replace the existing unsightly concrete tiles with Spanish slate.

There is internal subsidence to the property but i fill it is more important to rectify this than to apply for a new build application. mainly to keep the continuity of the frontage of the bungalow as it is central to a row of 3 similar looking buildings.
